

Restology Offer

Kirkham Henry Performing Arts CIC

Kirkham Henry Dance School provides a great range of community classes specifically for the older generation; all of which help to build on positive wellbeing and friendships.

- Angela at Kirkham Henry Performing Arts CIC is working in collaboration with Carers Plus Yorkshire to provide a '**3 for free**' offer to try some of the classes running in Malton.
- The offer gives the opportunity for you to try the sessions, with no commitment to pay for the first three!
- To gain these concessions, please contact Angela and take along your Restology card.
- Click the Kirkham Henry logo to find out more and see which classes are available, or speak to a member of the Carers Plus Yorkshire team.
